Phoenix, AZ, March 17, 2021— Speedie & Associates, Inc. (S&A) is proud to announce one of our staff engineers, Zachary Herman, received his professional engineering license in March 2021. Zachary is an Arizona State University graduate and has been with S&A since 2015.

About Speedie & Associates, Inc.

Speedie & Associates, Inc. (S&A) is a consulting engineering firm specializing in geotechnical and environmental engineering as well as construction monitoring and materials testing. Our firm has extensive experience in Arizona and the Southwest and has operated in Phoenix since 1980. S&A's main office and laboratory facility is based in Phoenix, Arizona and currently operates branch facilities in Tucson and Flagstaff, Arizona.

Consistently ranked as one of Arizona's top specialty engineering firms, S&A provides clients with sound, economical solutions to today's sometimes-difficult engineering scenarios. As a recognized leader throughout Arizona, S&A is dedicated to customer service by providing highly talented and committed individuals who will work together with a strong sense of unity and teamwork to achieve, and excel beyond, the goals of each project. S&A's professionals have strong, long-standing working relationships with local, county, and state agencies that help facilitate projects through the regulatory requirements from the planning stage through final completion.
