**Phoenix, AZ, February 2023**— Speedie & Associates, LLC - A UES Company is proud to announce one of our engineers, Daniel Stratulat, has officially received his professional engineering license. In addition, he has been promoted to a geotechnical project manager. He has a Bachelor of Science in Civil Engineering from the University of Arizona. Daniel has been with Speedie since 2015 and is a key member of our Tucson team.

**About Speedie & Associates, LLC – A UES Company**

Speedie is a consulting engineering firm specializing in geotechnical and environmental engineering as well as construction monitoring and materials testing. Our firm has extensive experience in Arizona and the Southwest and has operated in Phoenix since 1980. Speedie’s main office and laboratory facility is based in Phoenix, Arizona and currently operates branch facilities in Tucson and Flagstaff, Arizona.

Consistently ranked as one of Arizona's top specialty engineering firms, Speedie provides clients with sound, economical solutions to today's sometimes-difficult engineering scenarios. As a recognized leader throughout Arizona, Speedie is dedicated to customer service by providing highly talented and committed individuals who will work together with a strong sense of unity and teamwork to achieve, and excel beyond, the goals of each project. Speedie’s professionals have strong, long-standing working relationships with local, county, and state agencies that help facilitate projects through the regulatory requirements from the planning stage through final completion.
